

## **MEDIA ALERT**

13 December 2011

### **OFFICIAL OPENING OF COLIN HAYES ENTRANCE AT MORPHETTVILLE**

After recently undergoing major renovations, the South Australian Jockey Club (SAJC) is pleased to present the newly built Colin Hayes entrance Saturday 17 December 2011.

The entrance facilities have been named in honour of Colin Hayes; an Adelaide based thoroughbred champion trainer. David Hayes – the son of Colin Hayes, will conduct the official proceedings, and the SAJC sees this as a fantastic way to celebrate a racing legend.

The entire redevelopment of Morphettville Racecourse includes new entrances, undercover member's walkway from the entrance to grandstand, completion of the gardens adjacent to the Panasonic Pavilion, remodelling of the Parade Ring, upgrades to the race day horse stalls, premium facilities, and renovations to the Panasonic kitchen which increases potential functions to a capacity of 4,500 guests.
